

# BEECHWOOD RIDING SCHOOL SUMMER NEWSLETTER 2011

The summer holidays are once again upon us with lots of Pony Days for our younger riders to enjoy. We always find that the participants of these increase their confidence and knowledge and consequently their riding improves.

As we are celebrating 25 years of Beechwood in Woldingham, we have a special offer on these Pony Days. Book and pay for 4 and get the 5th at half price. As the Pony Day offer is still at the discounted price of £40.00 (normal price £50.00) this is a brilliant saving.

We also run 3-day Pony Events aimed at the more capable of our young riders, with 3 days of varied equestrian activities. The cost for this is £120.00 (normally £150.00 but with our Anniversary and advance payment discount, there is a saving of £30.00). These young riders will be responsible for grooming, mucking out and preparing themselves and their pony for the day's events. Each day will have some pony care and stable management tuition and, of course, lots of riding. See our dates below.

By popular demand we are running adult Equestrian Workshop Days. These courses are un-mounted and run from 10.30 a.m. - 4 p.m. at a cost of £45.00

Level I is suitable for the newcomer to riding. The programme will be relevant as well as interesting, with informative talks, demos and an opportunity for 'hands on'. It promises to be an equestrian experience guaranteed to improve your understanding of horses and riding.

Level II, again un-mounted, will appeal to the rider with more experience. We will be looking in more depth to the 'scales of training', the horse's movement, outline and way of going and how the rider can assist the horse with correct riding and training to realise his potential.

A list of suggested dates are on the reverse of this newsletter and should you be interested in either of the courses, please ring and let us know which date would be convenient for you to enable us to make definite dates.
